Quick / Design Proposal

Please complete the following checklist in as much detail as possible
 & fax to +86-21- 58394685
 Please attach additional pages where necessary
 For further information please call SHCMME on +86-21-58896976

1. Product Category/Description				
2. Commercial Environment & Background <i>i.e. competitors previous models</i>				
3. Key Functions <i>i.e. capacity strength fit...</i>				
4. Second Functions				
5. Applicable Standards & Performance Specs.				
6. Customer or user profile				

7. Known Components or fit to other products					
8. Pref. Manuf. Process					
9. Pref. Materials					
10. Product life (approx) years					
11. Annual Production Qty					
12. Costing Targets	12A. Manuf Cost \$				
	12B. End Cost \$				
13. Ergonomic Req.					
14. Color & Branding					
15. Size/Weight	Length	x Width	x Height	(mm)	
	Weight	(kg)			
16. IP, Patents					
17. Project Information	What best describes the current stage of development?				
	What best describes the finishing point of development?				
18. Required Services (please check all req'd)	Product Design Research	Project Management	Detail Design	Electronic Engineering	Other...
	Product Graphics	Color Consulting	Computer Visualizations	FE Analysis	
	Product Styling Facelift Existing Product	Ergonomics Form Modeling	Mechanical Engineering CAD	Prototypes Pilot Production	
	Product Audits	Visual Prototypes or Models	Engineering Drawings	Tooling Liaison	
19. Please list any critical deadlines for stages as listed above
